United States District Court
for the Southern District of New York

New York, New York 10007

Re: *Anwar, et al., v. Fairfield Greenwich Limited, et al., 09-CV-00118 (VM)*

Dear Judge Marrero:

We are interim co-lead counsel for plaintiffs in the above-captioned consolidated action. During the telephone conference on January 30, 2009, Your Honor had requested that the parties discuss a resolution to their single disagreement in paragraph 10 of the proposed Case Management Plan and Scheduling Order ("CMO"), concerning procedures and timing for conducting merits depositions, and to update the Court as to that progress today.

While the parties have exchanged drafts of proposed language and had discussions concerning the possible resolution of the issue, we believe that additional time may be helpful. Our progress has been delayed in part due to my firm's loss of email and internet service this week as a result of a ConEd steam pipe explosion in our building.

With the consent of Mark Cunha of Simpson Thacher & Bartlett LLP, on behalf of Defendants, the parties request that they be permitted to continue to discuss and try to reach agreement on a proposed CMO, to be submitted on Wednesday, February 18, 2009.

Respectfully submitted,

James A. Harrod

SO ORDERED: Request GRANTED. The time for the parties herein to submit a proposed Case Management Plan is extended to 2-18-09.
